

REWIMET e.V.  
Recycling Cluster Strategic Metals

Success Factors for  
Stakeholder Engagement and Communications

Dr. Juliane Messe-Marktscheffel

## Dr. Juliane Messe-Marktscheffel, H.C. Starck Tungsten GmbH:

"The network saves us a lot of work and effort that we would otherwise have to do on our own. It's basically like a **dating agency** for people interested in recycling. They match individual partners and bring them together."

- **Joint research projects**
- **Network between companies, regional authorities and universities**
- **Promotion of young talents**
- **Policy advice**

## REWIMET Symposium

Conference  
with focus on  
scientific  
project  
results

Das Netzwerk Das Innovationsforum 2022 Archiv Rewimet Anmeldung

**INNOVATIONSFORUM RECYCLINGREGION HARZ**  
Das digitale Netzwerkevent  
für Wirtschaft und Wissenschaft im Harz  
**5. - 6. MAI 2022**

## Innovationsforum Recyclingregion Harz

Fair/Conference with  
focus on innovation  
and transfer

## Excursions and visits

REWIMET members visit sites of raw material and recycling industries

## Regular tables

REWIMET members meet together with invited guest(s)

- **Cluster Manager meets each member annually for a private talk**
- **Board meetings take place on the invitation by different members on the members´ locations**
- **Care for rituals and celebration of achievements**
- **Cluster Manager is completely financed by the membership fees**
- **Good and continuous work is the best advertising – and the cheapest**

# Thank You!
