# Peer review

A peer review is a **two-day meeting focused on a specific policy challenge**.

Participants are carefully selected peers that share their know-how with you, providing input and hands-on advice.

During the peer review, you will get:

- An **in-depth analysis** of your policy challenge
- An exchange of experience with **relevant policymakers**
- A presentation of **potential solutions**
- **Specific recommendations** and knowledge to make **better-informed decisions**.

# What do we offer?

- **The wealth of knowledge** available within the **Interreg Europe community**
- A committed **team** dedicated to making these days **useful** for all
- **Support in all steps** of the way: preparation, implementation, follow up
- A service free of charge, and **free of administrative burdens**
