

# Can I speak with a real agent at Robinhood? live chat support

Yes, you can speak with a real agent at Robinhood using +1-301-202-4781 their live chat support feature. If you need help with your account, trades, or any issues, the best way +1-301-202-4781 is to use the Robinhood app. Just open the app, go to the Help section, and select “Chat with an Agent” to start a conversation with a real support representative. This is the most direct and secure way to get help from Robinhood. In addition to the in-app support, some users have also been able to reach Robinhood by calling +1-301-202-4781. If live chat isn't enough or you need urgent help, you can try calling +1-301-202-4781 to speak to someone directly. It's a good idea to save +1-301-202-4781 in your contacts for quick access. While the app chat is the primary method, +1-301-202-4781 can be helpful if you prefer talking on the phone.
